

Big Bear's Kaleidoscope

What you will need:

- Paper towel roll
- Coloured paper
- Reflective paper
- Clear plastic sheet
- Confetti
- Scissors
- Decorative tapes
- Ruler
- Clear sticky tape
- Glue
- Black Marker

Steps:

1. Cut a 3cm section off the end of your paper tube and reserve it for later use
2. Cover your paper tube using coloured paper
3. Embellish the tube using decorative tapes
4. Measure your reflective paper to fit the length of your paper tube and cut it out
5. Fold the reflective three times and cut the remaining sheet after the third crease
6. Create a triangle shape and secure it using clear sticky tape
7. Insert the triangle into the paper tube
8. Draw two circles onto the clear plastic sheet using the end of the paper tube as a guide then cut it out
9. Cut through the middle of the small section of paper tube about 1.5cm and fold it over and secure it using clear sticky tape. This will serve as your end cap.
10. Place the clear plastic circle on top of the end cap and secure it using a tape
11. Embellish your end cap with decorative tape
12. Put the other plastic circle inside the paper tube
13. Put some confetti inside the end cap
14. Attached the end cap to the paper tube. Well done!
